EDUCATION

Bachelor of Technology , Guru Gobind Singh Indraprastha University BTech in Artificial Intelligence And Data Science: CGPA- 9.137	Expected 2027
Central Board Of Secondary Education , Hamdard Public School Class12: CGPA – 9.368	2022-2023

SKILLS

Technical Languages	Python, SQL, Excel, Power Point
Technical Tools	Jupyter Notebooks, Tableau , GitHub, MySQL, Power BI
Platforms	Google Cloud Platform , Kaggle , Vercel, Antigravity
Data Visualization	Matplotlib, Seaborn, Tableau, Power BI.
Languages Known	English, Hindi, Urdu, Arabic
Soft Skills	Leadership, Analytical Skills, Problem Solving, Team Management, Event Management

PROJECTS

Blood Test Disease Prediction System (PREDICT WELL AI) (Python - Data Cleaning - Feature Engineering)	GitHub
- Engineered an end-to-end ML system predicting diabetes using PIMA Dataset with 88 Percent accuracy . - Automated PDF report extraction with preprocessing, anomaly detection and normalization workflows. - Implemented SVM a Machine Learning model to predict that patient is diabetic or not.	
AI Based Posture Analysis (Physiotherapy Assistance) System (Python - OpenCV - Mediapipe - Computer Vision)	GitHub
- Built a real-time posture correction system using mediapipe to assist in physiotherapy and exercises. - Developed rep counting, joint-angle analytics and feedback to reduce injury and improve performance. - Designed pipeline enabling future expansion to personalized exercise and AI-driven workout guidance.	
Cryptocurrency Market Analysis Using Machine Learning (Python - Market Forecasting - Regression - Exploratory Data Analysis)	
- Performed multi-source trend, volatility and sentiment analysis for short term crypto forecasting to identify high-impact market indicators through Exploratory Data Analysis . - Built regression and LSTM models improving prediction stability.	

LEADERSHIP

Additional General Secretary – Annual College Fest (UTKARSH'26)	2026
Lead the team of more than 300 volunteers involved in the great success of our college annual technical and cultural fest with a footfall of over 5000 attendees.	
Vice President Of THE CAMPUS CHRONICLES (Official Media House)	2025 - 2026
- Led campus media operations with content reaching 201.7k Views on insta; managed designers, editors and photographers. - Directed magazine production and streamlined workflows for faster, high-quality publishing.	

ACHIEVEMENTS

- Winner of Chandigarh University Zero-to-One National Hackathon; Secured 1st place among 600+ teams for developing an innovative AI-driven solution. [ANI News](#) - [MadeInMedia](#) - [Linkedin](#)
- Runner-Up of IIIT Delhi HackLLM Hackathon; Awarded for delivering a high-impact ML prototype under strict time constraints. [Linkedin](#)
- Finalist in **5+ National-Level Hackathons**; Consistently recognized for excellence in AI, Machine Learning, Computer Vision, and real-world problem solving.
